## Medical Aesthetics at

### Medical Anti-Aging Treatment

An AHA/BHA facial peel provides a deep exfoliation while a fortifying anti-aging treatment improves the appearance of the skin, restoring radiance and vitality.

60 min – \$195

Add on: Luscious Lip Contour \$35

### Medical Deep Cleansing Treatment

This treatment deep cleanses and purifies problem skin, addressing congestion, breakouts and excess oil production.

60 min – \$135

### Deep Cleansing Back Treatment

Purifying and deep cleansing, this treatment addresses acne along the back and shoulders, improving your skin's appearance.

60 min – \$155

### Teen Facial

Designed specifically to address teenage acne, this treatment helps to clarify and heal recurring breakouts.

45 min – \$95

 Performed by an Aesthetician

 Performed by a Nurse

### Medical Skin Peel

Customized AHA/BHA peel performed by our registered nurse. Improves skin's radiance, clarity and texture with a medical exfoliation of the skin's superficial layer.

Face – \$110      Back – \$155

Neck – \$95      Décolleté – \$110

Series Pricing Available

### Jessner Peel

A Jessner's Peel is a combination of three chemicals: resorcinol, lactic acid, and salicylic acid. Jessner's peels and glycolic peels are both superficial peels, meaning they are lighter peels and will not penetrate very deeply into the skin.

45 min – \$195

### Microdermabrasion

Microdermabrasion increases skin circulation which helps to refresh your skin and reduce the appearance of enlarged pores and superficial fine lines.

30 min – \$130 | Series of 4 \$445

### Microdermabrasion Facial

90 min – \$225

### Nurse Consultation

Our medical professional will assess your skin type and recommend a combination of medical aesthetics and cosmeceuticals to optimize your skin's function and vitality.

30 min – \$50

### Palomar® Lux 1540

The 1540 Laser treats wrinkles, acne scarring, textural irregularities and crow's feet. High-precision laser micro beams are delivered into the skin which help remove damaged skin and stimulate skin regeneration and collagen production.

Price by assessment.

### Intense Pulsed Light

Intense Pulsed Light treats skin imperfections and improves the appearance of fine lines, rosacea, and sun-damaged skin on the face, chest and hands.

Price by assessment.

### Laser Hair Removal

Our Palomar system offers a permanent hair reduction solution to areas such as the legs and bikini, with more comfort than traditional procedures. Guests experience less down time and lasting results.

Price by assessment.

### Botox®

Quickly and effectively treat facial lines and wrinkles with non-surgical Botox. Achieve the smooth, youthful complexion you desire without any downtime.

Price by assessment.

### Fillers

Restore volume and fullness to your skin with a quick, non-surgical procedure that will smooth fine lines and wrinkles. We offer a wide selection of the most popular fillers.
